

Art2Muse

A vibrant art gallery

Located in the heart of Double Bay, Art2Muse Gallery attracts locals, designers, national and international art lovers who can also view and purchase artworks online. Established in 2001 by Katrina Hampton, Art2Muse Gallery represents a diverse range of artworks from 45 established artists at an affordable price. The gallery has been operating in Double Bay since 2008 with an exciting program of regular exhibitions and provides ongoing personalised service. In November 2014 Art2Muse Gallery was the first Australian gallery to be invited to participate in the Contemporary Istanbul Art Fair in Turkey.

We offer a home consultation service to advise on artworks. An initial visit to your home or office will include photographing the space and discussing your preferences. We will then produce a catalogue of recommended artworks superimposed on your walls as a preview before trying the pieces in your home. The \$99 consultation fee is then deducted from your first art purchase.

Here is a selection of available artworks by Andrew Mangelsdorf. Please feel free to contact us for high resolution photographs and catalogues of artworks you are interested in and to discuss your requirements.

Andrew Mangelsdorf

Contemporary artist based in Sydney, Australia.

My work touches on many different themes but generally I focus on bold imagery, vibrant colour and aim for visual impact rather than trying to make a statement – I believe art should be fun.

My 'composite assemblage' pieces grab attention from a distance but offer more as the piece is viewed more closely. I've applied my skills and knowledge of composite materials and challenged myself by keeping my layered style but pushing the boundaries as far as medium - plywood, foam, perspex, laminated carbon fiber, kevlar, epoxy resin, teak, electric light and paint.

I get pleasure from adapting these materials to my own art and knowing that the pieces have a lasting quality more like visual furniture.

My work has featured in several art publications including Australian Art Collector, Inside Out magazine and Australian Art Review - I've been involved in charity art auctions and represented at Art Fairs Internationally.

I have built up an extensive exhibition history, participating in over 40 group shows, 5 solo exhibitions as well as being a 6 time finalist in the prestigious Mosman Art Prize. - Andrew Mangelsdorf – artbydorf
