A vibrant art gallery

---

Located in the heart of Double Bay, Art2Muse Gallery attracts locals, designers, national and international art lovers who can also view and purchase artworks online. Established in 2001 by Katrina Hampton, Art2Muse Gallery represents a diverse range of artworks from 45 established artists at an affordable price. The gallery has been operating in Double Bay since 2008 with an exciting program of regular exhibitions and provides ongoing personalised service. In November 2014 Art2Muse Gallery was the first Australian gallery to be invited to participate in the Contemporary Istanbul Art Fair in Turkey.

We offer a home consultation service to advise on artworks. An initial visit to your home or office will include photographing the space and discussing your preferences. We will then produce a catalogue of recommended artworks superimposed on your walls as a preview before trying the pieces in your home. The \$99 consultation fee is then deducted from your first art purchase.

Here is a selection of available artworks by Yanni Souvatzoglou. Please feel free to contact us for high resolution photographs and catalogues of artworks you are interested in and to discuss your requirements.

## **Yanni Souvatzoglou**

### Bronze Sculptures

Greek from abroad (Constantinople) and son of a cotton merchant, Yanni Souvatzoglou inherited his creative talent from his mother, a portrait painter.

From a very young age Yanni experimented with fabric painting before later moving into graphic design, where he was introduced to industrial photographic reproduction and development of seemingly three dimensional images. His skills in graphic art have provided a platform for the creation of his sculptures. Drawing influence from the Minoan and Cycladic era, Yanni often evokes this imagery through his sculptural concepts.

Since 1980 Yanni has maintained an atelier for multiple techniques and art applications. He has not abandoned commercial design and many corporations have continued trust in his creative imagination for a variety of manifestations. Yanni's art is collected worldwide and he is represented by local and international galleries. He has enjoyed major shows and has been awarded prizes for several pieces of his work.

Yanni has studied in Athens under the supervision of Prof. P. Tetsis
