A vibrant art gallery

---

Located in the heart of Double Bay, Art2Muse Gallery attracts locals, designers, national and international art lovers who can also view and purchase artworks online. Established in 2001 by Katrina Hampton, Art2Muse Gallery represents a diverse range of artworks from 45 established artists at an affordable price. The gallery has been operating in Double Bay since 2008 with an exciting program of regular exhibitions and provides ongoing personalised service. In November 2014 Art2Muse Gallery was the first Australian gallery to be invited to participate in the Contemporary Istanbul Art Fair in Turkey.

We offer a home consultation service to advise on artworks. An initial visit to your home or office will include photographing the space and discussing your preferences. We will then produce a catalogue of recommended artworks superimposed on your walls as a preview before trying the pieces in your home. The \$99 consultation fee is then deducted from your first art purchase.

Here is a selection of available artworks by Katie McKinnon. Please feel free to contact us for high resolution photographs and catalogues of artworks you are interested in and to discuss your requirements.

## **Katie McKinnon**

Melbourne based painter and textile designer Katie McKinnon has developed a strong following with collectors throughout Australia, New Zealand, Europe and North America. Katie's latest series of large scale mixed media works, are flowing, abstract expressions exploring the fierce beauty of Australia's underwater gardens, marine flora and native fish species, and the infinite energy of underwater currents and circa-tidal rhythms.

Katie works intuitively to merge the ethereal and the everyday. Her paintings seek to inform of the immensity and fragility of the underwater world, with a complex, subtle layered fluidity defined by deliberate mark-making, intensity of colour, and dynamic, graphic forms representing reef and seamount.

McKinnon is a firm believer in the transformative power of meditation and art, and her paintings are designed to evoke feelings of happiness and optimism.

Katie's paintings are part of private collections in Australia, France, Switzerland, the UK, and North America, and her work has been featured on The Block, Postcards (CH9), RJL The Style School, Interiors Addict, Australian Design Review, Rebecca Judd Loves, The Home Journal, and in the publications Belle, Inside Out, Home Beautiful, Scoop, Artichoke, HOUSES, Herald Sun, Sydney Morning Herald, Adore Home, Jetstar magazine, Virgin Australia magazine, and Modern Home. Katie has also designed a range of large scale floor rugs for The Rug Collection Art Series.
