

Art2Muse

A vibrant art gallery

Located in the heart of Double Bay, Art2Muse Gallery attracts locals, designers, national and international art lovers who can also view and purchase artworks online. Established in 2001 by Katrina Hampton, Art2Muse Gallery represents a diverse range of artworks from 45 established artists at an affordable price. The gallery has been operating in Double Bay since 2008 with an exciting program of regular exhibitions and provides ongoing personalised service. In November 2014 Art2Muse Gallery was the first Australian gallery to be invited to participate in the Contemporary Istanbul Art Fair in Turkey.

We offer a home consultation service to advise on artworks. An initial visit to your home or office will include photographing the space and discussing your preferences. We will then produce a catalogue of recommended artworks superimposed on your walls as a preview before trying the pieces in your home. The \$99 consultation fee is then deducted from your first art purchase.

Here is a selection of available artworks by Clare Brodie. Please feel free to contact us for high resolution photographs and catalogues of artworks you are interested in and to discuss your requirements.

Clare Brodie

Clare Brodie has been a finalist in numerous Australian art prizes and has held two solo exhibitions in Sydney. Her work is held in private collections and she has been featured in publications including the Sydney Morning Herald and Inside Out Magazine.

Her semi-abstract landscape paintings unearth the simple beauty of Australian bushland beyond its visual complexity.

Between and Beyond

Clare's paintings stem from meditative walks she takes through her local bushland. She draws a sense of peace by deciphering and simplifying the complexities of both the bush and her life. Her works abstractly depict narratives of these walks, where she is looking between the sculptural bush to the sky beyond. Poignant and rhythmic forms in saturated colour schemes, form striking, balanced and harmonious compositions that unearth the simple beauty of nature beyond its visual complexity. It is this connection that Clare has with the strength of the Australian landscape, that empowers her art practice and keeps her centred.
