

# Art2Muse

A vibrant art gallery

---

Located in the heart of Double Bay, Art2Muse Gallery attracts locals, designers, national and international art lovers who can also view and purchase artworks online. Established in 2001 by Katrina Hampton, Art2Muse Gallery represents a diverse range of artworks from 45 established artists at an affordable price. The gallery has been operating in Double Bay since 2008 with an exciting program of regular exhibitions and provides ongoing personalised service. In November 2014 Art2Muse Gallery was the first Australian gallery to be invited to participate in the Contemporary Istanbul Art Fair in Turkey.

We offer a home consultation service to advise on artworks. An initial visit to your home or office will include photographing the space and discussing your preferences. We will then produce a catalogue of recommended artworks superimposed on your walls as a preview before trying the pieces in your home. The \$99 consultation fee is then deducted from your first art purchase.

Here is a selection of available artworks by Kate Gorman. Please feel free to contact us for high resolution photographs and catalogues of artworks you are interested in and to discuss your requirements.

## **Kate Gorman**

Kate Gorman is an established artist who has lived in the North East Valleys region of Victoria since 1982. During this time she has traveled extensively - drawing inspiration from places including Austria, France, Italy, Croatia, Spain, Germany, Poland, Sri Lanka and Guatemala.

Kate works in an expressive and painterly technique, building layers of vibrant colour in an abstract style.

"My art reflects my interpretation of the landscape around me and my experiences in daily life - working on our farm in the King Valley or traveling through the countryside in Tuscany.

I invite the viewer into a happier space - giving them a hint of my interpretation of the subject matter, then urging them to complete the story. My hope is that my work will trigger a personal experience, memory or connection to a special place." - Kate Gorman

Kate has won various art awards including the 2015, 2012 & 2010 King Valley Art Show, the 2015 & 2014 Wodonga Art Prize, and the 2009 Wangaratta Jazz Art Award. Her work is held in private and public collections throughout Australia and internationally.
