

Art2Muse

A vibrant art gallery

Located in the heart of Double Bay, Art2Muse Gallery attracts locals, designers, national and international art lovers who can also view and purchase artworks online. Established in 2001 by Katrina Hampton, Art2Muse Gallery represents a diverse range of artworks from 45 established artists at an affordable price. The gallery has been operating in Double Bay since 2008 with an exciting program of regular exhibitions and provides ongoing personalised service. In November 2014 Art2Muse Gallery was the first Australian gallery to be invited to participate in the Contemporary Istanbul Art Fair in Turkey.

We offer a home consultation service to advise on artworks. An initial visit to your home or office will include photographing the space and discussing your preferences. We will then produce a catalogue of recommended artworks superimposed on your walls as a preview before trying the pieces in your home. The \$99 consultation fee is then deducted from your first art purchase.

Here is a selection of available artworks by Donna Ravenscroft. Please feel free to contact us for high resolution photographs and catalogues of artworks you are interested in and to discuss your requirements.

Donna Ravenscroft

These paintings are from a body of work titled 'Coastlines' which depict expansive and suggestive scenes of the waterways and coastlines surrounding Sydney. It is this beauty that Donna wants you to experience – visual pleasure.

Near the water one is drawn in. There is always something happening – it is constantly changing, providing images and memories from which the artist takes direction, inspiration and opportunity. The solidity of the headlands contrasts with the great expanses of water that are broken by rocky outcrops, the fragile outline of boats, jetties and bollards.

Donna's paintings begin with abstracted backgrounds and gradually identifiable images begin to appear among the lines and colour. They might include huge vessels, sometimes appearing through the mist, ship's hulls, jetties or bollards or headlands – anything that can be associated with the water and its exciting beauty. Evidence of underpainting often remains in the building up of layers resulting in touches of contrasting colour and texture.

Donna's paintings have been included in large exhibitions such as Art Sydney, Art Melbourne and Art Brisbane as well as significant group exhibitions in Sydney.

For the past 7 years her paintings have been included in the North Sydney Art Prize exhibition; North Sydney Council purchased one of her works for their collection. For several years she has been a finalist at the Warringah Art Prize exhibition.

In 2003 she was awarded first prize at the Palm Beach Art Show.
