

Art2Muse

A vibrant art gallery

Located in the heart of Double Bay, Art2Muse Gallery attracts locals, designers, national and international art lovers who can also view and purchase artworks online. Established in 2001 by Katrina Hampton, Art2Muse Gallery represents a diverse range of artworks from 45 established artists at an affordable price. The gallery has been operating in Double Bay since 2008 with an exciting program of regular exhibitions and provides ongoing personalised service. In November 2014 Art2Muse Gallery was the first Australian gallery to be invited to participate in the Contemporary Istanbul Art Fair in Turkey.

We offer a home consultation service to advise on artworks. An initial visit to your home or office will include photographing the space and discussing your preferences. We will then produce a catalogue of recommended artworks superimposed on your walls as a preview before trying the pieces in your home. The \$99 consultation fee is then deducted from your first art purchase.

Here is a selection of available artworks by Helen McCullagh. Please feel free to contact us for high resolution photographs and catalogues of artworks you are interested in and to discuss your requirements.

Helen McCullagh

Helen McCullagh is best known for her bright, contemporary and aesthetically beautiful still life oil paintings. Helen paints daily from a converted dairy on her NSW hinterland farm that she shares with her husband and two dogs; Rosie and Tank.

Drawing her inspiration from both beautiful floral arrangements in her studio and images found their online media, Helen describes her artworks as a “dialogue between social realities with images chosen through social media feeds and reproduced in a new context to distort the distinctions of time and place.”

Helen holds a Bachelor of Fine Arts from Southern Cross University. She is a professional artist who shares her knowledge and techniques as an art educator and previously at the Gallery of Modern Art. Her work is internationally sought after and regularly reviewed. She is a significant prize winner and was most recently received Highly Commended in the prestigious Muswellbrook Artprize (2015).
